

Technical drawing of a double-sided bar. The top view shows four circular labels, each containing the text "alan courtenay". The bottom view shows the same four labels, but they are represented as circular bases with vertical pins or rods extending upwards. Red dimension lines indicate the following measurements:

- Horizontal distance between the centers of the first and second labels: 100
- Horizontal distance between the centers of the second and third labels: 100
- Horizontal distance between the centers of the third and fourth labels: 100
- Vertical distance from the base of the bar to the center of the labels: 200
- Horizontal distance from the left edge of the bar to the center of the first label: X

2 out	270
3 out	370
4 out	470
5 out	570
6 out	670
